## Values Worth Looking Up

Only a few days more and such values as we are now offering in Summer Goods will be closed out. Each day now sees some good values cleaned up. The prices we make on Ladies' Wool Suits and Coats are surely money savers for the trade. We make these prices to clean up stock before the Fall lines come in.

### Suits at One Half Price

We have a few Summer Suits left, to close at one half price. These are good styles and good values at the regular price, but are Suits we cannot duplicate and we want the room for the fall stock which is fast coming into the department.

When you can buy a good-styled Suit for \$15.00 that is worth \$30.00, it will pay you to invest your money.

Nearly all of these Colored Suits in the \$25.00, \$20.00 and \$15.00 grades left, are what, if we could duplicate, would be as good as we could buy for the fall stock, but as we cannot, they go at one half price.

At one half price are a lot of Ladies' Colored and White Linen and Rep Suits in medium and small sizes. These are extra values and you have two months yet to wear them.

### Coats at One Half Price

What we have left in Long Coats in the light and dark colors, are now on one rack to close at one half price.

At \$6.00 are a few long Covert Coats in medium sizes. These are Coats that are all right for fall wear, and are a good style. Are Coats that were \$12.00.
